

Transitions for Example | Emphasis

Transition words are used in a sentence to connect two ideas. They join clauses, sentences, paragraphs, or entire sections of writing together to show a relationship between them. Different transition words signal different kinds of relationships. One kind of relationship that transition words can signal between ideas is example or emphasis.

DIRECTIONS: Find a sentence in your draft paper that uses a transition to signal example or emphasis. Rewrite the sentence using each of the transition words below.

In other words

For this reason

Notably

Chiefly

Especially

In general

For example

To emphasize

To enumerate

Which sentence do you like the best? Which most closely conveys exactly what it is that you want to say?
