

# Primary Sources

A primary source is a firsthand account and is created at the time of the event. Write ten examples of primary sources.

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

Choose one of the types of primary sources that you identified. Why do you think this particular type of primary source would be important?
