

Name \_\_\_\_\_ **Clichés**

# Clichés

**DIRECTIONS:** Underline the cliché in each sentence. Then rewrite each sentence to say the same thing without the cliché.

1. At work, I'm considered a safe pair of hands.
2. We will do what we can, but we're on a shoestring budget.
3. That reprimand was a shot across the bow.
4. The award I got at work was a real shot in the arm.
5. Boy are you a sight for sore eyes!
6. I know I was a sorry sight after working that double shift.
7. It's a shot in the dark, but maybe we should try Jim's idea.
