

Name \_\_\_\_\_

# Amplification

Amplification means expanding or embellishing (amplifying) a sentence or statement by adding additional information.

Amplification can be used to describe something that we see every day but may not usually pay much attention to.

**DIRECTIONS:** Add additional information to amplify each sentence.

1. Between my fingertips, I held a single blade of grass.

---

---

---

2. My dog lay at my feet.

---

---

---

3. It was still dark when I got up.

---

---

---
