

# The Rain

Jeremy liked to be outside when it was raining. He loved the rain. When it was raining, it wasn't too hot, and it wasn't too cold. He liked the splish splash sound that the rain made. Jeremy always noticed how everything looked cleaner and brighter after the rain.

Jeremy's sister did not like the rain.

"The rain is necessary," Jeremy told her as he got ready to go outside. "It is also nice."

"That's just your opinion," his sister said.

So Jeremy took his opinion and his umbrella outside and enjoyed a walk in the rain.
