

The Secrets of Centenarians

Conduct research on the following topic: ***What do people who live to be 100 years old or more have in common?***

Use at least six different sources that include at least three different kinds of media. List your sources below.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Based on your research, take a position on the following question: Does what you have learned suggest that barring accidents or "acts of God," it is possible for someone to live in such a way as to maximize their chances of becoming a centenarian? What is your position?

Develop your thesis statement and write your research paper. Be sure to include a bibliography.
