Create a Romantic Subplot

A story with multiple plot lines typically has one main plot, and at least one subplot. A subplot is a supporting side story that deepens or enhances the reader's experience of the main story in some way. One kind of subplot is a **romantic subplot**. A **romantic subplot** includes a love interest for the protagonist, and the development of that relationship complicates the main plot.

Summarize your main plot.

Who is the main character? _____

What happens? _____

_____

_____

Could a character who is already in the story you have imagined be or become a romantic interest for your main character? Who?

_____

Brainstorm three different ways that a romantic subplot might complicate the main plot for you protagonist:

1.

2.

3.
