

# Mental Health

Conduct research on the following topic: *How is mental health talked about in popular culture?* Your sources should include:

- Scholarly research on this subject
- Journalism reporting on this subject
- Depictions of mental health issues in television and movies
- How mental health is represented on social media

Based on your research, take a position on the topic. What is your position?

---

---

---

---

What is the strongest evidence that you have that supports your position?

---

---

---

---

---

---

Develop your thesis statement and write your research paper. Be sure to include a bibliography.
