

Name _____

NUMBER 25

Find and color number 25 to help the mouse find the cheese.

A maze puzzle where a green line starts at a mouse and ends at a piece of cheese, passing through several '25' numbers. The maze is composed of a grid of numbers. The numbers are: Row 1: 25, 17, 29, 31; Row 2: 84, 25, 25, 25, 25; Row 3: 50, 25, 25, 25, 25; Row 4: 97, 25, 37, 64, 44; Row 5: 57, 25, 25, 25. The green line starts at the mouse, goes right to the first '25', then down to the '25' in the second row, then right to the second '25', then right to the third '25', then right to the fourth '25', then right to the fifth '25', then down to the '25' in the third row, then right to the second '25', then right to the third '25', then right to the fourth '25', then right to the fifth '25', then right to the cheese.
