

ANSWERS

Martin got a bike for his birthday. The bike is new. **It's** a used bike, but **It's** new to Martin and has barely been ridden. Martin is so **excited** about his birthday gift that he has been **riding** around the **n**eighborhood showing it to everybody. If you haven't seen it yet, it's only because he hasn't made it all the way to your house yet!
