

Name _____

The Rolling Stones

In London, England, a group of friends decided to form a band. They were Mick Jagger, Keith Richards, Brian Jones, Bill Wyman, and Charlie Watts. Together, they became The Rolling Stones, one of the most famous rock bands in the world.

The Rolling Stones are known for their energetic performances and catchy songs. Mick, the lead singer, has a unique and powerful voice. Keith and Brian played the guitars, while Bill played the bass, and Charlie was on drums. They each brought their own style and sound to the band, creating music that people loved to listen and dance to.

The band was formed in 1962. Their music was inspired by blues and rock 'n' roll, and they became popular for their energetic and exciting live performances. The Rolling Stones' first big hit was a song called "I Can't Get No Satisfaction." This song became very popular, and people all over the world were singing and dancing to it.

Over the years, The Rolling Stones have released many other hit songs. Some of their famous songs include "Paint It, Black," "Angie," and "Start Me Up." Their music often speaks about freedom, love, and the joys and sorrows of life.

Even after many years of performing, The Rolling Stones are still loved by people of all ages. Their music continues to inspire and bring joy to people around the world. The band's journey shows us that with passion, hard work, and creativity, you can create something that lasts a lifetime.
