

Name _____

The Groundhog Day Mystery

Answers to Reading Comprehension Questions:

1. Groundhog Day is a celebration on February 2nd when people watch a groundhog's shadow to predict if there will be more winter or an early spring.
2. Gus was worried because he lost his shadow-catching hat and couldn't make an accurate prediction.
3. The townspeople, along with Lily, helped Gus solve the Groundhog Day Mystery.
4. In the old dusty chest, they found a beautiful hand-knit hat with a mirror on top.
5. Gus's shadow prediction indicated that there would be six more weeks of winter.
