All About Halloween

Reading Comprehension Questions Answers

1. Halloween is celebrated every year on October 31st.
2. Halloween dates back more than 2,000 years to the ancient Celts. It was later combined with Roman festivals and evolved over time to the Halloween we know today.
3. The ancient Celts were people who lived in the area that is now Ireland and the United Kingdom. They celebrated a festival called Samhain, marking the end of summer and the start of winter.
4. The tradition of trick-or-treating started when people dressed up in costumes and went from house to house asking for food or money.
5. Some common ways people celebrate Halloween today are dressing up in costumes, going trick-or-treating, decorating their homes, having parties, watching scary movies, and visiting haunted houses.
