

# Conclusion Clue Words

One way that you can signal that a paragraph is about to end is by using a clue word to begin your concluding sentence.

**TOPIC SENTENCE:** Because of the dangerous chemicals they contain, many sunscreens are more dangerous for your skin than exposure to the sun.

**CONCLUDING SENTENCE:** In short, getting direct sunlight on the skin plays an important role in maintaining good mental and physical health.

Some common conclusion clue words are: in conclusion, Finally, to sum up, on the whole, ultimately, these points go to show, as shown above, in summary, etc.

**DIRECTIONS:** Write your topic sentence on the lines. Then write a concluding sentence to go with your topic sentence that begins with a conclusion clue word.
