

Name _____

Suzy Seal and the Recycling Revolution

Answers

1. Suzy noticed that the shores where she played were sometimes littered with trash.
2. Suzy organized her school to start a recycling program and raise awareness about the importance of recycling.
3. Suzy received support from her classmates, teachers, and the school principal, Mr. Adams.
4. The Green Team's first task was to conduct a waste audit to determine how much recyclable material was being thrown away in the school.
5. Suzy and the Green Team encouraged recycling in their school by placing recycling bins in every classroom and other key areas, creating colorful signs with catchy slogans, and organizing a competition among classes to collect the most recyclables each month.
