

The Hungry Mouse

When Mouse woke up from his nap, he was VERY hungry. He peeked out of a small hole in the wall into the kitchen. There was food everywhere! First he had a bite of burger. Then he had a bite of sausage. Then he nibbled some crackers. He was carrying a large piece of cheese back to his hole when he heard someone coming. It was the cat! So he dropped the cheese and ran to greet his friend!

DIRECTIONS: Put numbers in the boxes to put the story events in order.
