

Characterization

Characterization means the creation of a fictional character.

DIRECTIONS: Think up a name for each character. Then write down at least three things about each character. Are they kind of mean? Funny or serious? What are they doing? Where are they going? When you have finished, turn the page over and write a story that has all of your characters in it.

Name: _____

1. _____

2. _____

3. _____

Name: _____

1. _____

2. _____

3. _____

Name: _____

1. _____

2. _____
