

## ANSWERS

### Dystopia

Almost always about problems that we are having in the world

Something has gone wrong in the society and the people are oppressed or suffering in some way

the protagonist is or becomes aware of what is wrong

some intrinsically human value has gone missing from the society

### Both Utopia and Dystopia

Both help the reader envision the problems that go along with the particular way that the society has been set up

Both are works of social criticism

In both, the society can seem perfect at first glance, though this is not always the case with a dystopia

both societies are usually distinct or isolated from the rest of the world in some way

a utopia is often revealed to be a dystopia

### Utopia

The society seems perfect at first glance

An elaborate description of the geographic landscape, often given by guides native to the region.

The protagonist is an outsider to the utopian society.

The protagonist is skeptical of the society's problems.
