

ANSWERS WILL VARY

1. will vary
2. The phrase is used after each time a death is mentioned
3. It equalizes the deaths; it also is a way to mark or count the deaths; it points out that death is both tragic and inevitable
4. It conveys the Tralfamadorian idea that though a person may be dead in one moment, he or she is still alive in all the other moments of their life, and that those alive moments can be visited by time travel.
