# Risk

## Answer Key

1. The main idea of the poem is the importance of taking risks in order to grow and evolve.
2. The poet probably believes that taking risks allows us to experience new things, learn, and reach our full potential.
3. Answers will vary. Some students might feel inspired, while others might feel apprehensive or thoughtful.
4. According to the poem, if we never take risks, we might remain stuck or stagnant, never realizing our potential.
5. Answers will vary based on personal experiences. Some students might recall trying a new activity, making a new friend, or facing a fear.
