Name _____ **Business Writing Prompts**

1. **Collaboration Over Competition** - Your biggest competitor approaches you with an idea for a collaboration. Describe the project and its potential benefits and challenges.
2. **Future Forecast** - Predict what businesses will look like 50 years from now. How have they evolved, and what new industries might exist?
3. **Remote Business** - Your business operates entirely in the virtual realm, with no physical storefront. Describe its operations, challenges, and advantages.
4. **Lost and Found** - You discover an old, abandoned store in your town. Write about its history and how you'd revitalize it.
5. **Franchise Dreams** - Your business has been so successful that you're considering opening franchises. Describe the process and potential locations.
6. **Trade Fair Tales** - You're attending a global trade fair to showcase your products. Narrate your experiences, the people you meet, and the deals you make.
7. **Ethical Choices** - Your supplier offers a significant discount if you compromise on the quality or ethics of your product. Describe your decision-making process.
8. **Adventures in Outsourcing** - To grow your business, you consider outsourcing certain tasks. Discuss the pros and cons and how it might impact your operations.
9. **Local Legends** - Write a story about a local business that's been around for decades and the secrets behind its longevity.
10. **A Day in the Life** - Spend a day shadowing a local business owner or someone in your family's business. Narrate your observations, insights, and learnings from the experience.
