

ANSWERS

Dr. Frankenstein is the hubristic character.

Achievements/Success and Overconfidence	Dr. Frankenstein believes he can create a living being from dead flesh.
The Warning	In this story, the warning is not given to Dr. Frankenstein, but BY Dr. Frankenstein to Walton as he tells Walton his story. Walton's desires to do something great parallel Frankenstein's.
Action Despite the Warning	Frankenstein creates the monster.
Tragedy	Everyone Victor Frankenstein cared about, including himself, met a tragic end.

The message is the science and technology can go too far.
