Funny Writing Prompts

The Gigantic Pie Fiasco

Imagine a bakery in your town accidentally made a pie so huge that it starts rolling down the street! Write a story about the crazy chase that ensues as people try to catch the gigantic pie. Did it roll through a park, bounce down a hill, or crash into a playground? Describe the hilarious adventure as townsfolk come together, slipping and sliding in whipped cream and berry juice, to stop the pie before it creates an even bigger mess.
