

Name _____

DOMINO SUBTRACTION

Count the dots, subtract and draw the line to match with the correct number.

The image shows four dominoes on the left, each with a subtraction sign in the center. Blue arrows connect the dominoes to the numbers on the right. The connections are as follows:

- Domino 1 (8 dots top, 2 dots bottom) connects to the number 1.
- Domino 2 (4 dots top, 1 dot bottom) connects to the number 3.
- Domino 3 (5 dots top, 1 dot bottom) connects to the number 4.
- Domino 4 (2 dots top, 2 dots bottom) connects to the number 6.

The numbers on the right are 1, 4, 6, and 3, each with a dot to its left.
