## April Fool's Day

### Answer Key

#### Correction Marks

One sunny morning on a april 1st, a mischievous squirrel named Sammy decided to play a fun April Fools Day trick on his forest friends. he gathered some acorns, painted them to look like shiny jewels, and carefully buried them in a hidden spot? Sammy knew that the forest creatures loved treasure hunts, and he couldn't wait to see their surprised faces.

Soon, word spread about the "secret treasure,) and all the animals joined in the search. They followed Sammy's clever clues, giggling and racing through the woods. When they finally uncovered the acorns, there expressions changed from puzzled to joyful. Sammy's prank turned into a day of laughter and friendship, proving that even the silliest pranks could bring everyone together for some forest fun on April Fool's Day.

#### Complete Passage

One sunny morning on April 1st, a mischievous squirrel named Sammy decided to play a fun April Fool's Day trick on his forest friends. He gathered some acorns, painted them to look like shiny jewels, and carefully buried them in a hidden spot. Sammy knew that the forest creatures loved treasure hunts, and he couldn't wait to see their surprised faces.

Soon, word spread about the "secret treasure," and all the animals joined in the search. They followed Sammy's clever clues, giggling and racing through the woods. When they finally uncovered the acorns, their expressions changed from puzzled to joyful. Sammy's prank turned into a day of laughter and friendship, proving that even the silliest pranks could bring everyone together for some forest fun on April Fool's Day.
