

Name _____

World Blood Donor Day

Answer Key

Correction Marks

In a bustling city, **there** lived a young girl named Lily who had always been curious about helping others. One day, she heard **about blood** donation drive happening at the local community center. Intrigued, Lily decided to join in and learn more about donating **blood**.

As she entered the donation center, she saw a group of friendly nurses and volunteers **ready** to assist. Lily watched as people from her community selflessly donated their blood to save lives. Feeling inspired, she decided to give it a try. With a gentle pinch and a warm smile, the nurse collected a small bag of her blood. Lily realized that **she** had just made a big difference in someone's life, and her heart swelled with pride. From that day forward, she became a regular blood donor, knowing that her small act of kindness could bring hope and **healing** to those in need.

Complete Passage

In a bustling city, there lived a young girl named Lily who had always been curious about helping others. One day, she heard about a blood donation drive happening at the local community center. Intrigued, Lily decided to join in and learn more about donating blood.

As she entered the donation center, she saw a group of friendly nurses and volunteers ready to assist. Lily watched as people from her community selflessly donated their blood to save lives. Feeling inspired, she decided to give it a try. With a gentle pinch and a warm smile, the nurse collected a small bag of her blood. Lily realized that she had just made a big difference in someone's life, and her heart swelled with pride. From that day forward, she became a regular blood donor, knowing that her small act of kindness could bring hope and healing to those in need.
