Name _____ Mystery Writing Prompts

## The Case of the Whispering Shadows

On a foggy morning, shadows start whispering secrets to those who can listen. Write a story about the captivating mystery that unfolds as you and your friends discover this unusual phenomenon. What do the shadows reveal? Do they hold clues to hidden treasures or forgotten stories? Describe the eerie encounters, the imaginative conversations you have with the shadows, and how you work together to decipher the whispered messages, uncovering the enchanting secrets that have been lurking in the shadows all along.
