

## Glaucoma Awareness Month

### Answer Key

#### Correction Marks

Once upon time in the sunny town of Clearview, their was a curious young girl named Emma. Emma had always been fascinated by the world around her, but lately, she noticed that things were getting a bit blurry. She decided it was time to visit the eye doctor.

Emma's visit to dr. davis, the friendly eye doctor, was filled with excitement and a hint of nervousness. Dr. Davis greeted her with a big smile and led her into a cozy room filled with colorful charts and mysterious instruments.

With patience and care, Dr. Davis examined Emma's eyes asking her to read letters on a chart and shining a tiny light to peek inside. He discovered that Emma needed glasses to see clearly, and he helped her pick out a stylish pair that made her feel like a Superhero.

Emma left the eye doctor's office with her new glasses, feeling grateful for Dr. Davis's help in making her world bright and clear again. She now saw the world in a whole new way and couldn't wait to explore it with her newfound clarity.
