

Name _____

National Popcorn Lover's Day

Answer Key

Correction Marks

In a cozy living room, two siblings, Max and Lily, were getting ready for a movie night. They're decided to make their own popcorn to enjoy during the film. Max poured a handful of kernels into a big pot, and Lily stood ready with a lid. They placed the pot on the stove, and soon, the kernels began to dance and pop, filling the kitchen with the delightful aroma of fresh popcorn.

As the siblings snuggled on the couch with their popcorn bowls, they couldn't help but giggle and share stories. The sound of the popping kernels mixed with their laughter, making it the most memorable movie night ever. From that day on, Max and Lily cherished popcorn not just for its delicious taste but also for the special moments and memories it brought to their family.
