

Name _____

World Oceans Day

Answer Key

Correction Marks

In a peaceful coastal village, a young girl named Maya had always been fascinated by the vast and mysterious ocean. Every **mourning**, **he** would walk to the shore and watch the waves dance along the sandy beach. One sunny day, as she was collecting seashells, she noticed something unusual **wash** up on the shore - a tiny, sparkling bottle with a rolled-up piece of paper inside.

With excitement, Maya carefully opened the bottle and read the message. It was a **noted** from a faraway sailor named Captain Nate, who had explored the deepest parts of the ocean. His note spoke of the ocean's **wonders**, from colorful coral reefs to majestic whales. Maya was inspired by Captain Nate's words and decided to become an ocean explorer herself one day, vowing to **protected** the ocean's beauty and creatures. She knew that even though she lived by the shore, there was still so much to discover beneath the waves, and her heart was filled with the promise of countless adventures to come.

Complete Passage

In a peaceful coastal village, a young girl named Maya had always been fascinated by the vast and mysterious ocean. Every morning, she would walk to the shore and watch the waves dance along the sandy beach. One sunny day, as she was collecting seashells, she noticed something unusual washed up on the shore - a tiny, sparkling bottle with a rolled-up piece of paper inside.

With excitement, Maya carefully opened the bottle and read the message. It was a note from a faraway sailor named Captain Nate, who had explored the deepest parts of the ocean. His note spoke of the ocean's wonders, from colorful coral reefs to majestic whales. Maya was inspired by Captain Nate's words and decided to become an ocean explorer herself one day, vowing to protect the ocean's beauty and creatures. She knew that even though she lived by the shore, there was still so much to discover beneath the waves, and her heart was filled with the promise of countless adventures to come.
