

Name _____

Deer: Graceful and Gentle Creatures

Reading Comprehension Question Answer Key

1. Deer use their long legs to run fast when they need to escape from danger.
2. The branched horns on a deer's head are called antlers.
3. Deer are herbivores, which means they eat plants. They enjoy leaves, twigs, grass, and fruits.
4. Deer have large ears that help them hear sounds like footsteps, and they can run fast to escape from predators. They can also hide and blend into their surroundings.
5. Baby deer are called fawns, and they have white spots on their fur to help them stay hidden in tall grass or bushes when they are very young, keeping them safe from predators.
