## Sight Word Stories

### Preschool: The Bunny Adventure

Once upon a time, in a magical land, there lived a curious little bunny named Benny. Benny loved to explore and discover new things. One sunny morning, Benny said to his friends, "Let's go on an adventure!"

Benny's friends, Timmy the turtle, Daisy the duck, and Sammy the squirrel, were excited and decided to come along. They all hopped away into the colorful forest, with Benny leading the way.

"Where should we go?" said Timmy, looking around. Benny replied, "Let's find the hidden treasure!"

They followed a winding path, and soon they came to a big, mysterious tree. Benny said, "I think the treasure is here! Let's jump up and see."

So, they all jumped as high as they could, but the treasure was not there. "Oh no," said Daisy, "Where could it be?"

Benny thought for a moment and said, "I have an idea! Let's make a treasure map with yellow leaves!" They gathered yellow leaves and made a map.

Following the map, they reached a sparkling pond. "The treasure must be in the water!" Benny exclaimed. They all dived in but did not find it.
