

Name _____

Titanic's Tango: A Boy's Voyage of Adventure

In the spring of 1912, amidst the whispers of a magnificent floating palace, I, young Finnegan O'Malley, embarked on a journey that would forever etch itself into the annals of history. The world called her the RMS Titanic, but to me, she was a grand and majestic adventure waiting to unfold.

As I boarded the Titanic, my heart raced with excitement, and my eyes widened in awe. The ship was a towering marvel, a city of steel and opulence that seemed to defy the very laws of nature. It stretched out before me, a maze of first-class cabins, grand staircases, and splendid dining rooms. My family and I were in third class, but that didn't dampen my spirits one bit. I was on the Titanic!

My younger sister, Molly, clung to my arm as we explored the labyrinthine corridors. Her eyes were wide with wonder, just like mine. Together, we navigated this massive vessel, discovering its hidden nooks and crannies. We stumbled upon a secret passageway, hidden behind a curtain in the dining hall, which led to a magical world beneath the ship. There, we met a friendly crew member who told us tales of far-off lands and daring adventures on the high seas.

Days passed quickly, filled with laughter, new friends, and the tantalizing scent of fresh pastries from the ship's bakery. We befriended a stowaway cat, whom we named Captain Whiskers, and he became our loyal companion as we roamed the Titanic's decks.

One evening, as the sun dipped below the horizon, casting a warm, golden glow across the ocean, I stood with Molly at the ship's railings. We watched as the waves danced, and the stars began to twinkle above. It was a moment of pure enchantment.

But, dear reader, you know what lies ahead. On that fateful night, as we slept peacefully in our third-class cabin, the world shifted and shook. The Titanic had struck an iceberg! Panic and chaos erupted as passengers rushed to the lifeboats.

I clutched Molly's hand tightly as we descended into the icy water in a lifeboat. The once mighty Titanic now lay still and silent beneath a blanket of darkness. We watched in stunned silence as the colossal ship slipped beneath the waves, taking with it dreams, hopes, and stories left untold.

As dawn broke, a rescue ship arrived, and we were taken aboard. The world would soon learn of the Titanic's tragic fate, but for us, it was a night of survival, a night when adventure met its match in the icy waters of the North Atlantic.

So, my dear reader, remember young Finnegan O'Malley, who danced through the grand halls of the Titanic, found secret passageways, and befriended Captain Whiskers. For though the Titanic now rests beneath the sea, its stories and adventures live on in the hearts of those who were fortunate enough to have sailed on her, even for a short while.

Name _____

Titanic's Tango: A Boy's Voyage of Adventure

1. What year did the events in the story of young Finnegan O'Malley's journey on the Titanic take place?

- A) 1910
- B) 1912
- C) 1920
- D) 1930

2. Which class of accommodation were Finnegan and his family in aboard the Titanic?

- A) First Class
- B) Second Class
- C) Third Class
- D) Crew Quarters

3. What was the name of the friendly crew member who told Finnegan and Molly tales of far-off lands?

- A) Captain Whiskers
- B) Captain Smith
- C) Mr. Andrews
- D) Mr. Johnson

4. What did Finnegan and Molly name the stowaway cat they found on the Titanic?

- A) Captain Whiskers
- B) Titanic Tom
- C) Sailor Furry
- D) Mr. Whiskerstein

5. How did the Titanic meet its tragic fate?

- A) Collision with a submarine
- B) Fire on board
- C) Struck an iceberg
- D) Engine failure

6. What happened to Finnegan, Molly, and Captain Whiskers after the Titanic sank?

- A) They were rescued by a passing fishing boat
- B) They remained on the lifeboat until reaching New York
- C) They were never found and presumed lost at sea
- D) They were rescued by a rescue ship
