

Name _____

Counting Coins

What coins do I need to buy the following desserts?

penny = 1¢

dime = 10¢

nickel = 5¢

quarter = 25¢

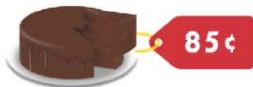

$$5¢ + 5¢ + 5¢ + 10¢$$

$$\square + \square + \square + \square$$

$$\square + \square + \square + \square$$

$$\square + \square + \square + \square$$

$$\square + \square + \square + \square$$

$$\square + \square + \square + \square$$
