## Mysterious Barn

On the edge of a quiet farm, there stood a mysterious barn that sparkled in the sunlight. Farmer Clark always wondered about the secrets it held. One warm afternoon, a clever cat named Arthur decided to explore the barn. He heard whispers of hidden treasures and rare artifacts stored inside.

Arthur carefully entered the barn and saw a large, colorful parrot perched on a wooden beam. The parrot's feathers shimmered as it squawked, "Welcome, Arthur!" Together, they discovered an old, forgotten chest buried under some straw. Inside, they found a silver mirror, a torn map, and a jar of marbles. Arthur and the parrot knew that their adventure had just begun, filled with more mysteries to uncover.

### Multiple Choice Questions
