

Name _____

ANSWERS

PIE CHARTS

A travel agency surveyed its clients on their favorite tourist destination. They made a bar graph with the results. Examine the graph and answer the questions.

1. What is the most popular tourist destination among the clients?

Solutions: Paris (40%)

2. How many clients prefer Paris?

Solutions: 40 clients (assuming a sample of 100 clients)

3. What is the least popular tourist destination?

Solutions: Sydney (5%)

4. How many clients chose New York as their favorite destination?

Solutions: 30 clients (assuming a sample of 100 clients)
