

Name _____

ANSWERS

PIE CHARTS

A school conducted a survey among students on their favorite hobby. They created a bar graph with the results. Analyze the graph and answer the questions.

■ Reading ■ Sports ■ Video Games ■ Music ■ Art

1. What is the most popular hobby among the students?

Solutions: Sports (35%)

2. How many students prefer reading?

Solutions: 25 students (assuming a sample of 100 students)

3. What is the least popular hobby?

Solutions: Art (5%)

4. How many students chose video games as their favorite hobby?

Solutions: 20 students (assuming a sample of 100 students)
