

The Chinese Zodiac

In the Chinese Zodiac, each year is associated with an animal sign. The Chinese believe that being born on a particular year means that an individual will have the characteristics of that year's zodiac sign. Write the correct Chinese zodiac sign next to its characteristics.

1. observant and hardworking _____
2. confident and intelligent _____
3. diligent and dependable _____
4. brave and confident _____
5. sharp and smart _____
6. loyal and honest _____
7. quick-witted and resourceful _____
8. active and energetic _____
9. intelligent and wise _____
10. compassionate and generous _____
11. quiet and elegant _____
12. calm and gentle _____
