Tic Tac Toe Spelling

Choose three activities to do for your spelling homework each week.

Write your spelling words with your non-dominant hand.	Put your words in reverse alphabetical order.	Ask an adult or an older sibling to give you a practice spelling test.
Put your words in alphabetical order.	Draw a picture to illustrate each word. Label your pictures with your spelling words.	Write all your words in cursive.
Divide your words into syllables. Write the number of syllables after each word.	Write all your words in CAPITAL LETTERS. Then write them again in all lower case letters.	Write all your words. Beside each spelling word, write a second word that rhymes with that word.
