Beneath the Surface: Eid Inference Challenge Answer Key

Note: Answers will vary. The following are suggested responses showing acceptable reasoning.

- 1.** They believe that giving to others is an important and meaningful part of celebrating Eid. It reflects generosity and the idea that joy is meant to be shared.
- 2.** Omar values the Eid prayer and sees it as an important part of the celebration. It shows his respect for the religious tradition and his desire to participate fully.
- 3.** Fatima is kind and thoughtful; she values generosity more than receiving. She wants her cousin to feel included and happy, even if it means giving up part of her own gift.
- 4.** Even though he was alone, Eid still meant something to him. He celebrated to keep the tradition alive and to feel spiritually connected to his faith and community.
