## Drug Vocabulary Match-Up

**Instructions** - Below are **10 drug prevention vocabulary terms** and **12 definitions**. Two definitions are "trick" definitions that **do not match** any of the terms. First, match each **term** with the **correct definition letter**. Then, identify the **two extra (unused) definitions** and briefly explain why they don't belong.

### Vocabulary Terms

1. \_\_\_ Addiction
2. \_\_\_ Prescription
3. \_\_\_ Peer Pressure
4. \_\_\_ Drug-Free
5. \_\_\_ Refusal Skills
6. \_\_\_ Side Effects
7. \_\_\_ Counseling
8. \_\_\_ Dependence
9. \_\_\_ Inhalants
10. \_\_\_ Withdrawal
