

Name \_\_\_\_\_ **Propaganda**

## What is Propaganda? Answer Key

1. Women on the U.S. home front, especially those not yet working in war industries.
2. It shows women as strong and capable, not just homemakers.
3. Inspiration, pride, empowerment, a sense of being needed.
4. To fill factory jobs and keep wartime production high.
5. It helped plant the idea of women's equality in the workforce, influencing later women's rights movements.
