

ANSWERS

1. Jonas finds out that when his father “releases” a newborn baby, he is actually killing it.
2. He feel horror and rage. Gabriel is in danger of being “released,” so Jonas takes Gabriel and escapes from The Community to Elsewhere.
3. The memories Jonas has been holding for the community, that The Giver has already transferred to him, will go back into the community, where people will have to experience and come to terms with them.
4. Jonas escapes from The Community with Gabriel on a sled, where he experiences cold, pain, and hunger for the first time.
