

Consequences Web Answer Key

Immediate Consequences

1. If you game first, you relax and have fun with your friend.
2. Homework doesn't get finished.
3. You feel rushed or stressed before bed.

Ripple Effects

1. Your teacher may mark you down for incomplete work.
2. Your grade in math could suffer.
3. Over time, you might develop a habit of putting fun before responsibilities.

Sample Conclusion- Choosing fun over responsibilities might feel good at first, but it can create problems later. Small daily choices can build habits that impact grades and future success.
