The Lost Pot

One afternoon, I was walking through the garden when I saw something shiny under a tree. It was a ____ (pot/rot), and it looked like it had been there for a long time. I bent down to pick it up, but it was too ____ (hot/shot) to touch! I waited for it to cool down, then carefully picked it up and brought it inside. I put it on the ____ (plot/cot) by the window to keep it safe.
