

Name \_\_\_\_\_ **Pros and Cons**

# School Uniforms Sample Answer Key

## 1. Pros:

- Saves time in the morning.
- May help students focus in class.
- Makes everyone look the same so kids feel equal.
- Stops teasing about fashion/brand names.

## 2. Cons:

- Uniforms can be expensive.
- Take away personal style.
- Not always comfortable in hot or cold weather.

3. **Strongest pro (sample):** They can stop teasing about clothing because that makes school feel kinder and more fair.

4. **Strongest con (sample):** They cost money, which can be hard for some families.

5. **Opinion (sample):** I don't think students should wear uniforms. I like having a choice in what I wear, and it's not fair to ask families to spend more money.
