## Secret Santa Mad Lib - Sample Answer Key

### *The Secret Santa Surprise*

Last night, my class had a **Secret Santa** party. I was so excited that I wore my **sparkly** (adjective) sweater with **bananas** (plural noun) all over it.

When it was time to pick names, I reached into the **fishbowl** (noun) and pulled out **Ethan** (person's name). I knew right away I wanted to get them something **gigantic** (adjective).

I went to the store and found a **toaster** (noun) that could **sing** (verb). It only cost **47** (number) dollars! I thought it was the most **amazing** (adjective) gift ever.

On party day, everyone put their presents under the **couch** (noun). When it was my turn, I gave my gift to **Ethan** (same person's name). They opened it and shouted, "This is so **hilarious** (adjective)!"

Then I opened my own gift. It was a **sock** (noun) that smelled like **pizza** (food). I laughed so hard I almost **sneezed** (verb).

In the end, the best part of Secret Santa wasn't the gifts, it was spending time with my **friends** (plural noun).
