dip	ship	hip
zip	clip	lip
sip	rip	pip

Once upon a time there was a ship that traveled with pip of fruit. One day, the sailor ate so much that his lips swelled and his hips began to tremble. Suddenly, he grabbed a paper that had a paper clip on it and ripped it in half, and since he had nothing else to eat, he put dip on it and ate it in sips. He ate so much that the zip of his pants was going to break.
