

Name \_\_\_\_\_ **Word Relationships**

# Object to Use Relationship

An object to use relationship compares the relationship of one object and what it is used for to that of another. For example:

Pen is to writing as crayon is to coloring.

**DIRECTIONS:** Complete each object to use analogy.

1. Chair is to sitting as bed is to \_\_\_\_\_.

2. Brush is to painting as pen is to \_\_\_\_\_.

3. Oven is to heating as fridge is to \_\_\_\_\_.
