

Breaking News: The Missing Red Panda!

Sample Answer Key

Story Starter

On Saturday morning, zookeepers discovered that a young red panda named Rusty was missing.

Sentence 2 (Student B)

After searching his habitat, they noticed that a tree branch had fallen near the fence during a storm the night before.

Sentence 3 (Student A)

The zookeepers worried that Rusty had climbed over the fence and wandered into the nearby park.

Sentence 4 (Student B)

Soon, visitors began sharing photos online of a red panda seen climbing trees around the city.

Sentence 5 (Student A)

One photo showed Rusty sitting high in an oak tree while eating leaves and watching people below.

Sentence 6 (Student B)

Animal care staff followed the clues and carefully tracked Rusty's path through the neighborhood.

Sentence 7 (Student A)

Along the way, Rusty explored gardens, chased butterflies, and surprised several curious squirrels.

Sentence 8 (Student B)

Later that afternoon, a family spotted Rusty resting in a tree near a playground and called the zoo.

Sentence 9 (Student A)

The zookeepers arrived with some of Rusty's favorite grapes and patiently encouraged him to come down.

Sentence 10 (Student B)

After a long but exciting adventure, Rusty safely returned to the zoo, where everyone was happy to see him again.
